

**LIFEPAK CR<sup>Plus</sup>**  
DEFIBRILLATOR

The power to save a life starts here.

## Confidence is lifesaving made simple.

Put the power of the LIFEPAK CR Plus AED to work for you.

No complex prompts. No confusing parts. Just two quick steps that make it easy to respond to a victim of sudden cardiac arrest. Simple and effective, the *CR Plus* is ready at the touch of a button. And while not everyone can be saved from sudden cardiac arrest, studies show that early defibrillation can dramatically improve survival rates.

Designed with the same advanced technology trusted by emergency medical professionals around the world, the *CR Plus* gives you the confidence of being prepared, and puts the power of saving a life in your hands.

The LIFEPAK CR Plus AED offers:

- Fully automatic two-step process
- Low maintenance
- Consistency with AHA guidelines
- Up to 360 joules when needed
- Easy transition to LIFEPAK® products used by EMS
- 8-year warranty—the longest in the industry
